Coconut Creek Planning Staff,

I hosted the community outreach meeting tonight from 530 - 630pm at Emmanuel Baptist Church. We did not have any neighbors in attendance.

Attached is a copy of the sign-in sheet (blank), the notice which was mailed-out and/or hand-delivered 14 days ago (5/11/23), and the list of mailing labels that included everyone within a 500-foot radius of the church.

Thank you.

You are invited to join us at our building for a citizen participation meeting relating to the upcoming site plan changes at Emmanuel Baptist Church. We are adding a parking lot at the north side of the property and are proposing to enlarge the previously approved sanctuary on the south side. Please join us to see the plans and renderings. We look forward to hearing your questions or comments.

If you wish to submit comments prior to the meeting, please send them to jeffbarkeraicp@gmail.com.
