BROWARD COUNTY AND CITY OF COCONUT CREEK
FOR COMMUNITY SHUTTLE SERVICE**

This Fifth Amendment ("Amendment") is entered into between Broward County, a political subdivision of the State of Florida ("County"), and City of Coconut Creek, a municipal corporation located in Broward County, Florida, organized and existing under the laws of the state of Florida ("City") (each a "Party" and collectively referred to as the "Parties").

RECITALS

A. The Parties entered into the Interlocal Agreement, dated on or around September 30, 2019 (the "Original Agreement"), to provide Community Shuttle Service as an alternative form of public transportation for residents within the jurisdictional limits of City. The Original Agreement was amended on or around August 19, 2021, May 17, 2024, October 16, 2024, and May 19, 2025 (collectively, the "Agreement").

B. The Parties desire to enter into this Amendment to extend the term of the Agreement through September 30, 2027 and to update the South Route span of service.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this Amendment shall retain the meaning ascribed to such terms in the Agreement.
2. The Agreement is hereby extended and will remain in effect through September 30, 2027.
3. Effective retroactive to August 14, 2025, the portions of Exhibit A (Service Schedules, Routes, and Maps) relating to the "S" Route are deleted in their entirety and replaced with the attached Exhibit A-1. All portions of Exhibit A relating to the "N" Route remain unchanged and in full force and effect.
4. Except as modified herein, all remaining terms and conditions of the Agreement shall remain in full force and effect.
5. In the event of any conflict or ambiguity between this Amendment, any prior amendments, and the Agreement, the Parties agree that the terms of the most recent amendment shall control. The Agreement, as amended by successive amendments including this Amendment, incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein, and the Parties agree that there are no commitments, agreements, or understandings concerning the subject matter hereof that are not contained in the Agreement as so amended. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

6. Preparation of this Amendment has been a joint effort of the Parties and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than any other.
7. City acknowledges that through the date this Amendment is executed by City, City has no claims or disputes against County with respect to any of the matters covered by the Agreement.
8. The effective date of this Amendment shall be retroactive to September 30, 2025.

10. Each individual executing this Amendment on behalf of a Party represents and warrants that they are, on the date they sign this Amendment, duly authorized by all necessary and appropriate action to execute this Amendment on behalf of such party and does so with full legal authority.

Bike Racks

Bike racks are available on Coconut Creek South Community Shuttle. These racks are designed to carry only two bikes. It is important to have the operator's attention before loading and unloading your bike. As the shuttle approaches, have your bike ready to load. Remove any loose items that may fall off.

Loading

- Always load your bike from the curbside of the street.
- Lower-Squeeze the handle and pull down to release the folded bike rack.
- Lift your bike into the rack, fitting the wheels into the slots of the vacant position closest to the shuttle.
- Latch-Pull and release the support arm over the front tire, making sure the support arm is resting on the tire, not on the fender or frame.

Unloading

- Before exiting, notify the operator you are removing your bike.
- Pull the support arm off the tire. Move the support arm down and out of the way. Lift your bike out of the rack. If your bike is the only one on the rack, return the rack to the upright position.
