By use of my signature, I hereby accept the terms and pricing as outlined in this proposal.

I also agree with the L.o.T. Terms & Conditions Policy and Returns & Exchange Policy located at:

<https://lightingoftomorrow.com/termsandconditions>

All work will meet or exceed (N.E.C.) National Electric Code standards.

We will be responsible for installing the total number of LED fixtures and poles listed above.

All material and workmanship will be free from defects and warrantied for not less than one year from the initial installation date.

LED light fixtures will be warrantied for 5 years by the manufacturer.

Poles will be warrantied for 5 years by the manufacturer.

This quote does NOT include permit runner fees.

This quote does NOT include any city permit fees.

This quote does NOT include any engineering fees.

Not responsible for any existing electrical issues.

Not responsible for any, painting, patching, drywall, concrete, asphalt, landscaping, caulking or structural work.

50% is required on all approved projects and the remaining 50% balance will be due at the end of the project.

Any additional work will be billed at a rate of \$65 initial fee + \$125 an hour for master electrician(s) and \$95 an hour per helper(s).

Any additional materials will be billed accordingly after the project is completed.

A 25% restocking fee applies for all returns or cancellations.
